Dear School Administrator, Counselors, and Community Leaders,

We are pleased and delighted to make you aware of our Annual High School Leadership Day, which will be held January 7, 2010 at The Sheraton Premiere at Tysons Corner in Vienna, Virginia.

Our Leadership Day is open to students in grades 9 – 12. The activities have been planned to enhance the participants' leadership skills, introduce them to other skills needed by twenty-first century leaders, facilitate their personal growth and development, encourage them to question and analyze current situations, as well as interacting with others of tomorrow's leaders. Dare to Lead!

The theme for our Leadership Day is "A Circle of Hope: From Vision to Reality." Please share this information with interested high school student leaders, parents, and community members. All groups must be accompanied. As a special incentive, counselors, or adults who register five or more students will have their own registration fee waived.

We also want to make you aware of the limited number of available scholarship funds to assist students in paying for our High School Leadership Day. There is only one scholarship per school for a high ability student with financial need.

Thank you in advance for your help and support in making sure that students in your high school are aware of this leadership opportunity. Please remind them that the dress is business casual: this excludes t-shirts, jeans, tennis shoes, hats, and hanging pants.

If you have any questions, feel free to contact me at 757-229-7321. We look forward to seeing you and your students.

Sincerely,

Carroll Hardy, Ed.D.
Conference Coordinator

“Education is our passport to the future, for tomorrow belongs to the people who prepare for it today.”

- Malcolm X

For twenty-five years, The Stuart Educational Leadership Group has been at the forefront of providing leadership training for youth both at the collegiate and high school levels. Our Annual High School Leadership Day will be held January 7, 2010 at The Sheraton Premiere at Tysons Corner in Vienna, Virginia.

It is open to students in grades 9-12. This year’s theme, “A Circle of Hope: From Vision to Reality,” reminds us that hard work and appropriate preparation are part of the journey. Moving vision to reality require that you make difficult choices. We must look at long-term good rather than short-term gains. You are the next generation of leaders. Dare to Lead!

The activities planned are designed to enhance the participant’s leaderships skills, aid in their personal growth and development, as well as provide a forum whereby they can engage in meaningful dialogue.
